

DELHI PRIVATE SCHOOL, AJMAN

ENVIRONMENT POLICY (2024- 2025)

Our Environment Policies include:

1. Comply with all environmental laws, regulations and requirements relevant to our activities.
2. Taking part in initiatives that enables us to achieve UN's Sustainable Development Goals, with focus on SDG 3, SDG 4, SDG 8, SDG 11, SDG 13, SDG 14 and SDG 15.
3. Create a CGS (clean, green and safe) campus.
4. Supporting the Emirates Environmental Group (EEG) programs by implementing its objectives.
5. Maintain the green area of the school and use organic manure.
6. Promote the efficient use of water and energy resources. Minimize waste by evaluating the usage.
7. Encourage the concept of a healthy diet among students.
8. Expand students' knowledge and understanding about the environmental concept through active hands-on experience by organizing field trips.
9. Modify curriculum by including activities to celebrate environment related dates.
10. Start a project- urban garden with the students, encouraging them to grow vegetables.
11. Sensitization of the student community by conducting environmental awareness programmes on environmental special days.
12. Aligning with UAE's Year of Sustainability drives such as ban of Single Use of Plastic, gifting Jute Bags to teachers on Teacher's Day, use of metallic water bottles etc.

13. Promoting student participation in Climate Change related events and competitions including COP 28 and Expo Majils.

14. Encouraging parent partnership in community initiatives such as SDG Family Passports, My SDG Family initiative.

15. Strengthening the Environmental and Sustainability Club by initiating recycling drives in school.

16. Collaborating internationally on innovative solutions for a sustainable future by participating in global activities like “Climate Action Project”.
