In preparation for the new term, our dedicated faculty engaged in a comprehensive two-week Continuous Professional Development (CPD) program. The Teachers' Day celebration was a resounding success, and I extend my heartfelt gratitude to all the students and the council for putting up a wonderful show that touched the hearts of our entire school community.

Our school teams participated in various inter school science events hosted by IIS Sharjah and GIS Ajman. I am delighted to announce that our teams secured the second and third positions respectively. This achievement is a testament to the talent and commitment of our students, and we congratulate them on their well-deserved success. A heartfelt congratulations to our parents and students for their continuous support and encouragement. Your involvement is crucial to the success of our school community, and we appreciate the collaborative effort in nurturing our students' growth and development.

As our students in Grades 1-8 gear up for their upcoming assessments, we extend our best wishes for success. To ensure a smooth examination experience, here are a few tips:

- Create a dedicated study space.
- Plan a study schedule and stick to it.
- Take short breaks to refresh your mind.
